How to Use Shared Bikes in China (2026)

美团单车 Meituan Bike

哈啰单车 Hello Bike

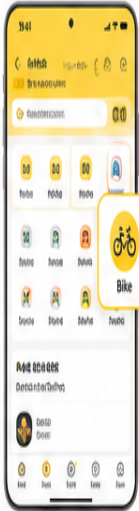

青桔单车 Didi Bike

Meituan Bike (Meituan App) – Full Process Flow

From Authentication to Scan & Ride, and Return

1 Prepare & Authenticate

1 Open Meituan App

Open Meituan App and tap "Bike".

2 Real-name Authentication

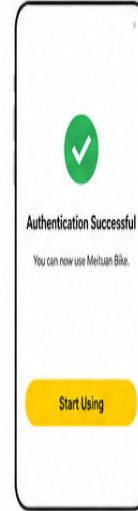

Enter your real name and ID information.

3 Face Verification

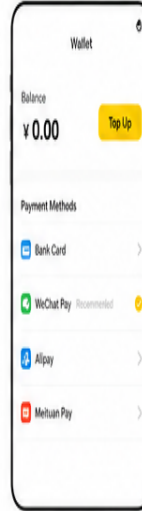

Complete face recognition verification.

4 Authentication Success

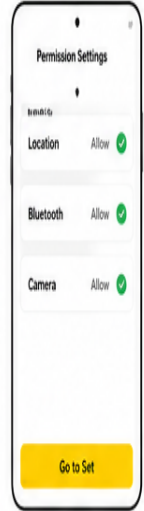

Authentication successful. You can now ride.

5 Payment Method

Ensure a payment method is set (WeChat Pay/Alipay recommended).

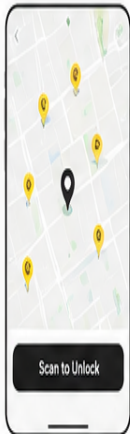

6 Permissions

Allow location, Bluetooth and camera permissions for better use.

2 Scan & Ride

7 Find a Bike

Find available bikes on the map.

8 Scan QR Code

Tap "Scan to Unlock" and scan the QR code on the bike.

9 Unlocking

The bike is being unlocked.

10 Unlock Success

Unlock successful. Start your ride.

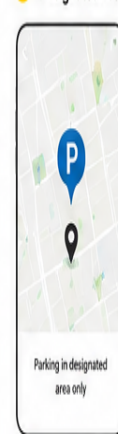

11 Riding

Enjoy your ride. Ride safely and follow traffic rules.

3 Return the Bike

12 Park in Designated Area

Park the bike in the designated parking area (inside the white line).

13 Manually Lock

Push down the lock lever until it is locked.

14 Return Completed

Return successful. The ride ends and fee is settled automatically.

Tips

- Please park in the designated area.
- Do not park in non-parking zones (e.g., building entrances, fire exits, sidewalks, etc.).

- Manual lock is required to end the ride. If not locked, the ride will continue to be charged.
- For any issues, go to "Me > Help & Feedback" in the Meituan App.

Note:

Keep Bluetooth on for a smoother experience.

Your ride is insured. Ride safely.

Shared bikes (共享单车) are one of the most convenient and affordable ways to get around Chinese cities. Millions of people use them daily for short commutes, errands, and exploring neighborhoods. Here is a complete guide for foreigners on how to register, unlock, ride, and return shared bikes in China.

Major Shared Bike Brands

* 美团单车 (Meituan Bike)

* -- Formerly Mobike. Yellow bikes. Largest network, found in every major city. Integrated with the Meituan app.

* 哈啰出行 (Hello Bike / Hellobike)

* -- Blue bikes. Very popular in smaller cities and university areas. Uses Alipay for payment.

* 青桔单车 (Didi Bike / Qingju)

* -- Green bikes. Owned by Didi (China's Uber). Integrated with the Didi app.

How to Register

Method 1: Meituan Bike (美团单车)

* Download the

* Meituan (美团)

* app from the App Store or Google Play

* Register with your

* Chinese phone number

* (required for all shared bike services)

* Complete

* real-name verification (实名认证)

* -- enter your passport name and number

* Link a payment method:

* WeChat Pay

*,

* Alipay

*, or

* bank card

* No deposit required for Meituan Bike -- just scan and ride

Method 2: Hello Bike (哈啰出行)

* Open

* Alipay (支付宝)

* and search for "哈啰出行" (Hello Bike) in the mini-programs

* Or download the standalone

* Hello Bike (哈啰出行)

* app

* Register with your Chinese phone number and complete real-name verification

* Bind your Alipay account for automatic payment

* No deposit required for basic bikes

Method 3: Didi Bike (青桔单车)

* Download the

* Didi (滴滴出行)

* app

* Register and complete identity verification

* Go to the "Bike" section in the app

* Bind WeChat Pay or Alipay for payment

How to Unlock and Ride

- * Find a bike parked on the street -- look for the brand's color (yellow/blue/green)
- * Open the corresponding app and tap
- * "Scan QR Code" (扫码用车)
- * Scan the
- * QR code on the bike's handlebars or rear fender
- * The lock will
- * automatically unlock
- * -- you'll hear a click
- * Ride to your destination

How to End Your Ride

- * Park the bike in a
- * designated parking area (停车点)
- * -- the app shows nearby spots on the map
- * Manually close the lock
- * on the rear wheel, or press "End Ride" (结束骑行) in the app
- * The app will
- * automatically calculate and charge
- * the fee
- * !

* Always park in a designated area -- improper parking may result in a ¥5-20 fine

Pricing

- * Meituan Bike:

* ¥1.5 per 30 minutes

* Hello Bike:

* ¥1.5 per 30 minutes

* (some cities ¥2)

* Didi Bike:

* ¥1.5 per 30 minutes

* Monthly passes (月卡)

* are available: ¥10-20/month for unlimited rides (each ride limited to 2 hours)

* Free rides are often available for new users or during promotions

Tips for Foreigners

* You MUST have a Chinese phone number

* -- international numbers cannot register

- * Always check the bike before scanning
- * -- make sure the tires are inflated, brakes work, and the seat is adjustable
- * Buy a monthly pass
- * if you ride daily -- it saves a lot of money (¥10-20/month vs ¥1.5 per ride)
- * Download an offline map
- * in case you lose signal -- Amap (高德地图) works offline
- * Park responsibly
- * -- blocking sidewalks, doorways, or accessible paths may result in fines
- * If the
- * QR code is scratched or unreadable
- * , enter the bike's ID number manually (printed on the frame)
- * Wear a helmet
- * -- some cities now require helmets for bike riders; shared helmet dispensers are

available at some bike stations

* During

* rainy weather

*, bike availability may be limited and locks may be harder to open -- plan accordingly

* Meituan Bike (美团单车)

* -- ¥1.5/30min -- Yellow bikes -- App: Meituan

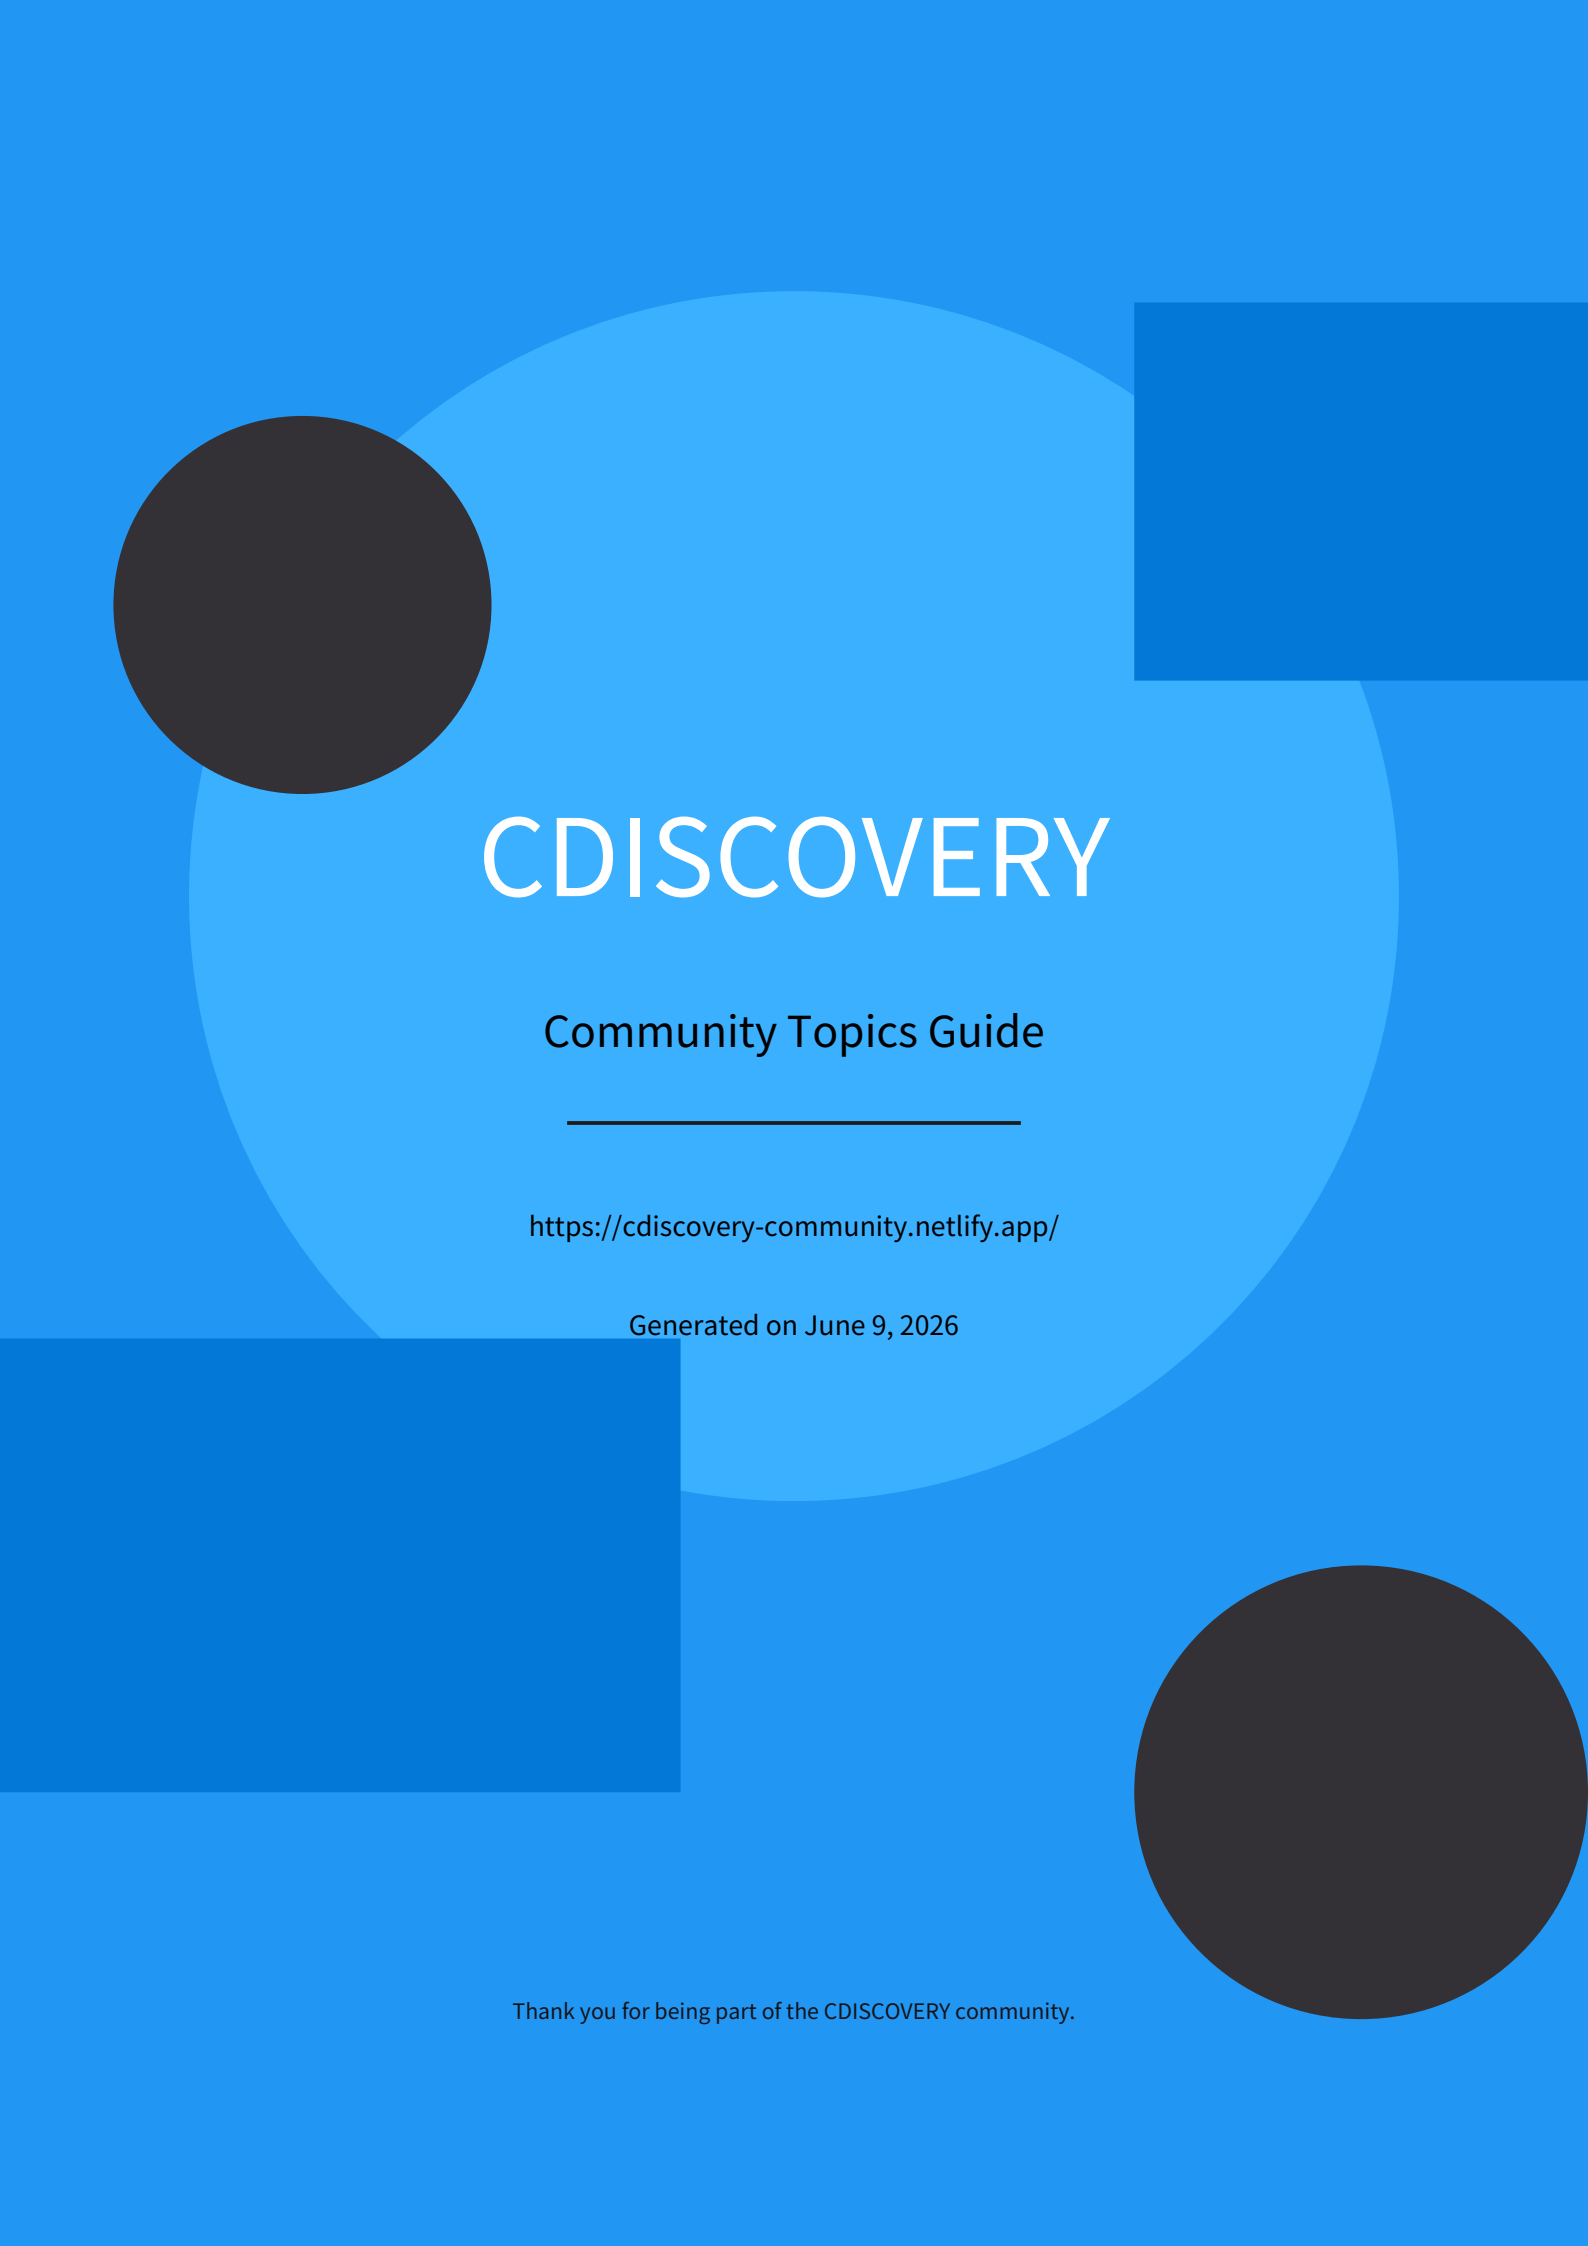

* Hello Bike (哈啰出行)

* -- ¥1.5/30min -- Blue bikes -- App: Alipay mini-program or Hello Bike app

* Didi Bike (青桔单车)

* -- ¥1.5/30min -- Green bikes -- App: Didi
